Notice No. 2008-2/

Date : 12 November 2009

Sub: Financial Assistance to students

The following students are being granted financial assistance, out of donations/endowments made by our benevolent well-wishers and friends. In being able to make this grant, we remember them with gratitude and remind the recipients that they should struggle hard to richly deserve this assistance, and keep contact with the donors as far as possible.

Scholarships disbursed through the college authorities, from sources other than our own, are also displayed separately, for purposes of record.

The recipients shall also take note of the following conditions of the grant:

- (1) **Only half of the total amount i.e. for the first 6 months will be paid in December 2009. The remaining part of the scholarship will be distributed later.**
- (2) In case any student leaves the college mid-session, he should refund the entire amount of assistance received by him.
- (3) **The hostel/college caution deposits of students enjoying financial assistance will not be refunded to them at the time of final clearance on the eve of their leaving the college. These amounts will be credited to our scholarship fund.**
- (4) **The recipients of the scholarships are also asked to keep it in mind that breach of discipline may cause the discontinuance of this assistance.**

Students against whom financial assistance has been sanctioned will be required to get their forms signed by their guardians and submit them to their hostel superintendents.

PRINCIPAL (OFFG.)

N.B. The amount of scholarship money (for six-month period) will be transferred to the Hostel Office after due deduction of the college tuition fees etc.
